China as a civilization state. The term "civilization-state" was first used by scholars [who?] in the 1990s to categorize China as having a distinct sociopolitical character, as opposed to viewing it as a nation state in the European model. The use of this new term implies that China was and still is an "empire state" with a unique political tradition and governmental structure, and its ...

The river runs across central China's loess plains, picking up an immense load of silt, which colors the water and gives the river its name. The Yellow River in Ancient China The recorded history of Chinese civilization begins on the banks of the Yellow River with the Xia Dynasty, which lasted from 2100 to 1600 BCE.

The Yellow River's Role in China's History - ThoughtCo
State policy has influenced the funding of public works and science for thousands of years, dating at least from the time of the Mohists, who inspired the study of logic during the period of the Hundred Schools of Thought, and the study of defensive fortifications during the Warring States period in China. General levies of labor and grain were collected to fund great public works in China ...

Mohism was an influential philosophical, social, and religious movement that flourished during the Warring States era (479–221 BCE) in ancient China. Mohism originates in the teachings of Mo Di, or "Mozi" ("Master Mo," fl. ca. 430 BCE), from whom it takes its name.

Mohism (Stanford Encyclopedia of Philosophy)
J L Koul Jalali M uch talked about rise of China as an economic super power has been inviting attention for years now but it has been intimidating also. World opinion has veered round the fact that attitude of the Communist regime in China particularly towards most of its neighbours has been pivoted around aggression and intimidation from the very beginning.

The U.S. wants to deepen its relationship with Taiwan, the self-ruled island that has become a major point of conflict in the strained U.S.–China relationship, and will work to counter Beijing's “malign” influence, a U.S. diplomat said Friday. In her first public news conference, Sandra Oudkirk, the new director of the American Institute in Taiwan, the de facto embassy, reiterated that the ...
